The practical, affordable newsletter that explores Catholic teaching on traditional and contemporary topics features easy-to-understand language and new, relevant topics each month. This four-page newsletter is an ideal medium to help parishioners increase their understanding of Catholic beliefs.

Catholic Update is helpful to OCIA classes that want to dive deeper into key issues. Parish discussion groups will also enjoy using the newsletters to explore a different topic each month. Parish leaders may also want extra copies for staff, catechists, and teachers as an ongoing faith formation tool. The newsletter is published 11 times each year and is available in a variety of formats.

Special Themes:

Watch for issues that focus on these special themes:

- **Catholic Traditions**—reviews the many sacramentals, signs, and symbols within the Church, discusses their origin and function, and encourages greater appreciation of this treasury of riches.
- **Catholicism in Context**—delves into the teachings of the Church as it discusses our beliefs, how they developed, and why the Church continues to hold fast to truths that the modern world rejects.
- **Flashpoint**—provides deeper insight into some of today's most challenging headlines. It discusses some very emotion-packed topics and proffers a measured response to encourage the faithful to temper strong feelings with a more comprehensive understanding of the issue at hand, exchanging rash judgment for the peace that thoughtful consideration and wisdom brings.
